Digital File Pricing*

- CD of Low-Resolution Files without watermark.....\$100
(Retouching not included)
- One High-Resolution Digital File (retouching included).....\$75

***Digital File Purchase Agreement**

CD of Low-Resolutions Files--This option is meant to be an inexpensive way for you to share images via electronic means. Printing from these files would be a violation of your contract and would result in a low-grade product.

Upon purchasing high-resolution files, you may use them for self-promotion. Usage includes social media, your website/your company's website, printing via labs and home printers, on business cards, on comp cards and creating backups. You may submit photos to magazines and online publications, but must include a photo credit of: "©Catherine Murray, www.photokitchen.net."

Examples of uses NOT allowed:

- Submitting photos to photo contests
- Selling on posters, coffee mugs, t-shirts, etc.
- Selling to any outside party
- For monetary gain
